

Rutherford, New Jersey,
Sept. 18, 1890.

RG104 E-1 Box 165

To the Director of the Mint—

Dear Sir: I have a suggestion for what I believe to be a valuable improvement in the manufacture of coins with milled edges, in order to prevent them being so readily counterfeited. If you will assure me that my plan, if adopted, will be properly paid for, I will make it known to you. I shall be glad to hear from you on this matter.

Yours truly,
Fred. S. Rudge.
